

FEDERAL FORCES ENTER MINE WAR

Airplanes, Troops Ready for Battle in Mining Region

BULLETIN
(By Associated Press)

Langley Field, Va.—Thirteen de Haviland airplanes left Langley Field Thursday for the coal fields of West Virginia. The planes carry bombs and machine guns and are ready for instant action. The squadron is in command of Major Davenport Johnson, who saw service in France. Each plane has a pilot and observer aboard.

Washington.—Expiration at noon Thursday of the limit fixed by President Harding, by proclamation for dispersal of the armed bands of citizens in West Virginia's mine disorders found White House and war department officials awaiting a report from Brigadier General Bandholtz, the army's representative on the scene, as to the situation.

While officials awaited the report on which a decision as to employment of federal troops and a declaration of martial law will rest, troops were ready to go into West Virginia should that be found necessary.

Trains were standing ready on side tracks at Camps Dix, N. J., and Sherman, O., to move troops at a moment's notice. Thirteen airplanes were enroute from Langley Field, Va., to make a survey of the whole region. A proclamation declaring martial law in affected counties was ready for promulgation.

From Charleston, Former Governor W. A. MacCorkle on Thursday wired Secretary Weeks that the "whole mining country is practically on the march toward the seat of trouble."

FIGHTING FORCES HALT TO LOOK AFTER DEAD

(By Associated Press)

Logan, W. Va.—Runners reaching Logan from outlying posts in the mountains reported at noon Thursday that quiet prevailed in the sections where the deputy sheriffs and outposts under Sheriff Chafin of Logan and Sheriff Hatfield of Boone county were prepared to meet advance of armed bands from the west of Spruce Fork ridge.

As deputy sheriffs and volunteers from other parts of the state were hurried here they were met at the front, but there was no official statement as to the number of men active duty.

The important addition to the fighting forces of the state, it was said, were troops under Captain James G. Jim Munro, who were killing Wednesday, were in Thursday and are for the funeral.

It was impossible to get a number of casualties attacking party and as made as to the defenders.

said, the Logan and McDowell men kept up a hot rifle fire at times Thursday on the sections of the range believed to be occupied by the armed bands.

Refuse to Disperse.

Thursday noon passed with armed bands still gathered on the Boone county side of Spruce Fork ridge. That hour was designated by President Harding in Tuesday's proclamation as the time limit for the dispersal of all persons "engaged in unlawful and insurrectionary proceedings," the alternative being the dispatch of federal troops to the affected districts and declaration of martial law in the counties of Kanawha, Fayette, Boone, Logan and Lincoln. Charleston, the capital, is in Kanawha county.

This block of counties, forming part of the southern tier, have been the scene of several days of the scene of industrial disturbances and armed marches. Extensive coal operations throughout the district and within it are paralyzed and coal stocks are low. Operations are unorganized, others are not. In Logan county the entire field is unorganized, except for a narrow strip on the eastern slope of Spruce Fork ridge close to the Boone county line. In that region, and extending

War Against Lottery Schemes

Action was started by Wm. J. Morgan in the city of Chicago against the \$200,000 hotel by the \$100 club of in July, forfeited to the lottery laws. The in the hands of the "city" ticket.

The attorney general is as the first step in campaign of to be sweeping the ticket schemes, winning of a value held unlawful by an attorney general.

The action is successful in the property school fund, which it is to use the proceeds.

The ticket given away was raffie at Chicago's occasion tickets at \$1, which could not enter into with all their heart and soul as Americans.

Referring to the situation in the West Virginia coal fields, the president said:

"We ought not to have a conflict like that, which is going on in West Virginia. It is due to lack of understanding."

Understanding Urged.

Mr. Harding said there were "two relative essentials to the civilization to which we all aspire; one is an understanding among men at home and the other an understanding between nations."

The president expressed the belief that the time was coming when the "burdens of armament" could be diminished.

"I wish with all my heart," he added, "that there will be less of armies and navies."

Declaring that, through 40 years of pagan history and 2000 years of Christian civilization, the only thing that had come to a state of armed warfare, the president reiterated that he thought "perfectly futile to think there ever may be armed conflicts."

Too Many Churches.

"We are doing a wholly unnecessary thing," he continued, "have some new, civilized warfare than any nation."

The president said "the trouble with the world today is that there are too many churches who know nothing of actuality."

However, he added, brings practical experience into play with theory will be a real contribution to progress.

The president was accompanied to the White House by Mrs. Harding.

TEN CONTRACTORS BID ON \$75,000 PAVING PROGRAM

COMPETITION KEEN FOR CITY'S CONCRETE WORK IN 1921-22.

\$1.74 IS LOWEST

Racine and Freeport Firms Appear Lowest on Preliminary List.

Bids of 10 contractors for Janesville's \$75,000 yard course reinforced concrete paving program were opened by the board of public works at 2 p. m. Thursday, with the Gund-Graham company, Freeport, Minn., apparently lowest bidder on the Blackhawk district road and James Cape & Sons Co., Racine, the lowest on the Hickory and Glen street job.

Bids on paving per square yard ranged all the way from \$1.74 to \$2.78; for excavation, from 45 cents to \$1.55; and curb and gutter, 40 cents to \$1.85. The board of public works will take the next few days to go over the bids carefully and seek the lowest figure before awarding the contract.

Figuring the Cape company's bid as the lowest for Hickory and Glen streets, the cost of this job would be \$29,518.72. At a glance, the Gund-Graham bid for Blackhawk district seems lowest. It would total \$42,683.92, making the entire cost, if these two bids are accepted, \$72,202.64.

Bids Received

Following are the bids as received Thursday:

James Cape & Sons Co., Racine, \$1.25 per cubic yard for excavation; \$2.48 per square yard for paving; and \$50 for curb and gutter in Blackhawk district. \$1 for excavation, \$1.74 for paving and \$1.85 for curb and gutter on Hickory and Glen.

Manitowish Construction company, Manitowish—75 cents excavation; \$2.48 paving; 75 cents curb; Blackhawk district, Hickory and Glen streets, and 75 cents curb.

George Welch, Beloit—Blackhawk district, \$1 for excavation; \$2.48 paving; 80 cents curb; Hickory and Glen streets, excavation: \$1.93, paving: \$1.74, curb: \$1.85.

Frank Doherty Co., Milwaukee—Blackhawk district, 60 cents excavation; \$2.58 paving; 80 cents curb; Hickory and Glen—80 cents excavation; \$2.58 paving; 80 cents curb.

Lampert Construction Company, Oshkosh—Blackhawk district, \$1.38 excavation; \$2.57 paving; 75 cents curb; Hickory and Glen—\$3.35 excavation; \$1.57 paving; 75 cents curb.

Paul Kroeck, Milwaukee—Blackhawk district, \$3.75 excavation; \$2.55 paving; 80 cents curb; Hickory and Glen—\$3.75 excavation; \$2.55 paving; 80 cents curb.

Hart & Page, Rockford—Blackhawk district, \$3.92 excavation; \$2.78 paving; \$1.05 curb. Hickory and Glen—\$3.92 excavation; \$2.78 paving; \$1.05 curb.

Robert M. Quinn, Madison—Blackhawk, \$3.95 excavation; \$2.80 paving; \$2.72 curb. Glen and Hickory—\$3.95 excavation; \$2.72 paving; and \$3.95 curb.

Lehmann Bros., Watertown—Hickory and Glen, \$2.25 excavation; \$2.15 paving; \$3.55 curb. Gund-Graham Co., Freeport—Blackhawk district only, \$4.45 excavation; \$3.24 paving; \$3.75 curb.

The bids were based on 4,234 cubic yards of excavation, 12,295 square yards of paving, and 5,910 feet of curb and gutter on Hickory and Glen streets—and in the Blackhawk district, 3,475 cubic yards excavation, 15,251 square yards paving, and 7,004 feet curb and gutter.

SHIP, BELIEVED LOST, ON WAY TO PORT UNDER TOW

Montreal.—The Canadian Importer, believed to have been foundered in the Pacific ocean, has been found by the Canadian Observer, which is towing the vessel to port.

The government merchant marine office was advised Thursday. Word received here said the Canadian Importer had been found at 10:30 p. m. Wednesday about 500 miles west of San Francisco.

MILWAUKEE DAY AT FAIR DRAWS 29,125

Exhibits Best Ever, Says Superintendent of County Booths.

(By Associated Press.)

Milwaukee.—With an attendance of 25,121 up to noon Thursday, the state fair, gave promise of being one of the most largely attended Milwaukee days in history. However, few were optimistic enough to predict that a record would be established, in view of the fact that last year the attendance reached the remarkable figure of 114,097. The second largest Milwaukee day in 1919, when 20,125 persons attended.

The weather was ideal except that the temperature was a little high. Mayor Daniel W. Hoan was on the grounds early to see the exhibits, prior to making an address in front of the grand stand, during the afternoon. Many city and county officials were present.

Shawano county was awarded the cup offered by the Milwaukee Journal for the best exhibit by a county at the state fair. Its score was 257 points. Formal presentation of the cup will be made tomorrow.

Cross county was second with 2498 points, and Marathon county third with 2476. Banners will be given to these counties and to each of the following counties which ranked in the order named: Oconto, 2,472; Dodge, 2,471; Milwaukee, 2,387.5; Racine, 2,387; Jefferson, 2,380.

E. L. Luther, superintendent of the county exhibits, said exhibits this year, exceeded those of any previous year.

Rock Still Leads All.

La Crosse county representatives won \$1,200 in prizes in the hog class, more than was won by representatives of all other counties combined. In the Shropshire class Waukesha, Rock and Dane counties were close competitors.

La Crosse county was awarded first prize in the sweepstakes, in which ten bags of Golden Glow corn were entered. Jefferson county was first in the sweepstakes in which 30 ears of Minnesota corn were entered. Jefferson and La Crosse counties split the other prizes.

The standing of the 10 leading counties in the competition in which all kinds of animals, animal products and vegetables were entered are as follows, to date:

Rock, 4,501.2; La Crosse, 2,618; Juneau, 1,403; Milwaukee, 1,036; Dodge, 970; Jackson, 814.

HIBERNIANS ASK MILK DISTRIBUTORS REMOVAL OF SIMS FACE INDICTMENT

Condemn Admiral's Conduct—Superior Woman Heads Auxiliary.

NEW OFFICERS OF LADIES' AUXILIARY OF A. O. U. President—Miss Mary Weeks, Superior.

Vice-president—Miss Jennie Timmons, Benton. Secretary—Miss Mary Gosselin, Janesville. Treasurer—Mrs. Mary Klumman, Madison. Chairlady of Irish History—Mrs. Mary Cornett, Oshkosh.

Election of four new officers and the re-election of Miss Mary Gosselin, Janesville, as secretary, featured the closing session of the Ladies' Auxiliary of the A. O. U. state convention held Wednesday afternoon.

Admiral William Sims' conduct was condemned as un-American and a resolution asking for his removal as head of the American navy was passed by the Hibernians before the close of the business session Wednesday afternoon. The resolution, which conforms with the one passed at the national convention at Detroit recently, asks that an American be put in Sims' place. Action is a result of Sims' celebrated speech in England several months ago which resulted in him being called to Washington.

Pleased at Reception.

Delegates to the convention were taken for a tour of the city at 6 o'clock Wednesday afternoon in cars furnished by Hibernians. Expressions of appreciation for the splendid reception and cordial hospitality offered them here were voiced by the delegates. All were well pleased with their entertainment and an invitation was extended them by Dean James Ryan on behalf of the city for returning at any time. They departed with a feeling of high regard for Janesville.

Choose City Later.

The next convention city will be chosen later. Prof. M. G. Rohan, Milwaukee, continues as state chairman of the Hibernians. E. A. Walsh, Erin, Pa., as state chairman; J. E. Coffey, Milwaukee, is the new vice president; and James Sheridan, Janesville, and J. J. Heffernan, continue as president and secretary respectively.

Huge Warship Leaves Ways

(By Associated Press.)

Canton, N. J.—The super-dreadnaught Washington, one of the four largest and most powerful battleships of the United States Navy was launched Thursday at the Gloucester plant of the New York Shipbuilding corporation. Miss Jean Summers, 10-year-old daughter of Representative J. V. Summers of Walla Walla, broke a bottle of water taken from the rivers of Washington, over the bow of the big fighting machine as she christened it for her native state.

SOCIALISTS FLAY HARDING, LEGION FOR DEBS DELAY

CALL EX-SOLDIERS "BUD-DING JUNKER CLIQUE."

"MILITARIST BODY"

Statement by Committee Scores Action in Keeping Leader in Prison.

(By Associated Press.)

Chicago.—A statement issued Thursday, commenting on President Harding's failure to act on the pardon for Eugene V. Debs, the socialist national executive committee, meeting here today, declines to assign the latest reason given for failure to act. It is not in accord with known facts.

The statement refers to the release of many convicted German spies some of whom were convicted of placing bombs on ships sailing for European ports, and bitterly denounces the American Legion.

The committee, the statement says, "looks with profound regret and indignation that, after months of waiting, no definite action has been taken by President Harding. The United States has today the unavoidable distinction of being the only country where the administration has not granted a full amnesty to all its political prisoners. Every German agent convicted of death during the war has been pardoned. Some were convicted of placing bombs on ships sailing for European ports.

Don't Accept Sentences they received and the clemency shown these criminals of the old ruling class of Germany are significant. Acts which, if committed by American soldiers, would be regarded as treason, are apparently considered of minor importance when compared with the frank criticism uttered by citizens in wartime.

"The American people are astonished when press reports indicate the failure of the president to act is due to his desire to wait until peace is signed with Germany. We would demand of the government to be employed to justify this course were it used to justify the continued incarceration of German agents convicted of criminal acts. We decline to accept the excuse of the government's failure to act. It is not in accord with the known facts.

MOORE MAKES PLANS FOR FINAL STRETCH OF EDGERTON ROAD

With construction of the Janesville-Indian Ford section of the concrete highway to Edgerton, fast nearing completion, County Highway Commissioner Charles E. Moore is making plans to shift the road, building gang to the west side of the river to September to build the stretch from Indian Ford to Edgerton.

A three-quarter mile stretch through Indian Ford will be left un-paved, pending the building of a new bridge and adoption of plans to eliminate dangerous hills and curves.

It is estimated 4,000 barrels of cement will be needed for the Edgerton-Indian Ford job, and Commissioner Charles E. Moore is making plans to shift the road, building gang to the west side of the river to September to build the stretch from Indian Ford to Edgerton.

The bids will be opened by the county highway committee at the court house at 2 p. m. Tuesday. This section of the highway is 3,500 feet in length, and 18 feet wide. Cement bids are called for on delivery at Edgerton.

SARTELL DELIVERS \$100,000 IN BONDS

City Clerk E. J. Sartell went to Chicago, Thursday, to formally deliver the bonds of the \$100,000 out-let sewer issue to the First Trust and Savings bank. The cost for the bonds from the sale will be deposited in the five local banks to be used as fast as necessary to pay off the Meerswa Construction company. The Chicago bank was high bidder for the bonds, offering a premium of \$2,295 for the 6 per cent bonds.

BIG REAL ESTATE DEAL FILED HERE

One of the biggest real estate transfers recorded this year in the office of Register of Deeds F. P. Smiley was filed here Thursday. The deal involves the sale by the American company, a Delaware corporation, with a plant in Beloit, of its property in that city for a cash consideration of \$50,000, to Stamford White, trustee. The property consists of blocks 13, 14 and 15 in Riverside addition. A \$50,000 lien in the nature of a trust deed is also involved.

COMFORT, KEYNOTE OF MYERS THEATER

New Decorations and Lights
Give Added Attractive-
ness of Place.

Safety and comfort to their patrons are keynotes that will mark the operation of the Myers theatre under the new management of Charles G. Routin. The installation of panic locks on all the exits to the playhouse and the addition of a number of fire extinguishers at strategic points carry this plan into detail. The new locks are so made with a bar across each door that the simple turning of the handle opens the door at the top and bottom and throws both doors outward.

Some Comfort Features.
Characteristic of the comfort features is the addition of a foyer leading between the lobby and the back of the auditorium. This has been furnished with a luxurious rug, davenport, easy chairs, writing table, floor lamps and palms giving an atmosphere of artistic taste. Separated from the auditorium by heavy velvet draperies and illuminated by a beautiful bronze chandelier, it provides a place where patrons may wait restfully between acts.

Ladies' Rest Room.
This same tone is carried to the ladies' rest room which has been furnished with restful chairs and a dressing table with light and heated mirror. The toilet room has been finished in white enamel.

The same artistic treatment which characterizes the lobby with its layout of advance picture gallery is carried throughout the building. The decorations have been treated in old rose and green with cream and mahogany woodwork. The floor of the auditorium beneath the seats has been painted, while the aisles have been covered with new carpet.

Use Disc Lights.
An illumination scheme providing sufficient light to read in any place in the house is given a decorative touch by the use of 150 disc lights. A new center chandelier of 10 ball lights the auditorium.

Back in the stage, new bunch lights, flood lights, spotlights and stage effects have been installed. The program announcers have been re-wired.

New Movie Machines.
Two new moving picture machines have been installed and a new motor generator. The generator changes the current from alternating to direct to give the necessary even effect upon the screen.

Balcony seats have been refinished in mahogany. New chairs have been placed in the boxes which are given privacy by new draperies.

4,536 in Schools of County; Attendance by Days Increases 35 Pct.

Enrollment in the 157 schools in Rock county coming under the jurisdiction of Supt. O. D. Antisdel for the year ending June 30, was 4,536. This is an increase of 1 percent over the enrollment of 4,490 for the year ending June 30, 1920.

Despite this small increase in enrollment, the attendance by days jumped 35 percent over 1920, the total number of days in 1920-21 attended by all children being 591,872 against the 1920-20 total of 437,872 days. This big increase in attendance is a feature of Supt. Antisdel's annual report to the state now being prepared. The open winter of 1920-21 is believed to have had much to do in keeping the daily attendance at a high mark.

584 Public Meetings.
Community gatherings are fast growing in popularity throughout the county with the school house the center of community effort. The report, as so far tabulated, showing the county schools coming under Mr. Antisdel's supervision were used for a total of 584 public gatherings during 1920-21. Forty-four of this number were held in the three free high schools.

The town of Bradford was the greatest place for community gatherings, a total of 49 having been held, while Harmony township was the scene of 31, second place. Other townships and villages had gatherings in the schools as follows: Avon, 24; Center, 17; Clinton, 18; Fulton, 25; Janesville, 17; Johnson, 9; La Prairie, 22; Lima, 22; Magnolia, 22; Milton, 15; Newark, 24; Plymouth, 24; Porter, 23; Rock, 26; Spring Valley, 22; Turle, 18; Union, 20; Clinton village, 6; Footville village, 6; Milton village, 27; Orfordville village, 12.

2 Consolidated Schools.
Only two consolidated schools are listed in the report for the year ending June 30. In one of these, one consolidation has been effected since July 1 and in many other districts it is being carefully considered.

Back in the stage, new bunch lights, flood lights, spotlights and stage effects have been installed. The program announcers have been re-wired.

Two new moving picture machines have been installed and a new motor generator. The generator changes the current from alternating to direct to give the necessary even effect upon the screen.

SCIENCE, ART, LAW POINT OUT FATHER OF DISPUTED BABY

San Francisco.—Science, art and the law are one in declaring Julius B. Scrine the father of the third child of his divorced wife. The mother had declared the husband was not the father of the child, whose custody he sought.

Dr. Albert Abrams made a series of blood tests of father and son which he declared provided positive proof that the child was Scrine's. The mother maintained she should know better than science who was the father.

Then art was called into the case. Judge Graham, Superior Court, by sketches, worked out a facial expression test like that used in the famous Silasby case in England. Patinkin reported to the court the child resembled Scrine.

Wednesday the law spoke through Judge Graham. "Irrespective of these tests, which are very interesting and instructive, the law determines the question very clearly. The youngest child was born during the lawful wedlock of the parties and there is legal presumption that the boy is their legitimate child."

Find Big Still in Corn Field

[SPECIAL TO THE GAZETTE]

Elkhorn.—One man is in the county jail here as a result of the discovery in the center of a big cornfield, on the Billy Johnson farm near East Troy, Wednesday, of a moonshine still of 15 gallon capacity with eight gallons of moonshine, three barrels of mash, empty bottles and other equipment.

The man arrested is Edward Larson, Lone Rock. The still is the largest found in this county in many months. It was in a little cabin in the center of a large cornfield, the height of the stalks completely screening it.

Larson will be given a hearing soon.

SOCIALISTS ATTACK HARDING AND LEGION
(Continued from page 1)

fostered a mob spirit and has inspired and led mobs; that has usurped the civil and police functions of many communities; that has attempted to terrorize those not in accord with its ignorant and reckless policy; that has attempted to thwart the efforts of millions to restore this country to its old status as a nation where all are free to speak and to write.

This building, militaristic-junker clique does not represent the present or the future. It represents the era of abyssal greed, which is the only military clique in the ascendancy in the councils of the nation. It would suppress every civil right with the bayonet. As the socialist military clique did in the old Germany, it represents darkness, not light; ignorance, not intelligence; stupidity, not tolerance; militarism, bureaucracy, not enlightenment.

Attack Hoover Relief.
The socialist national executive committee meeting here Thursday cautioned members of the party and other workers against any support of the Hoover organization, in Russian relief and announced formation of socialist-relief committees to handle relief work independently of the American relief commission.

"It is known agents of this organization," the socialist announced, "are using the Hoover organization as a cover for their real purpose, which is to establish the autocratic rule of the military clique in the United States. The Hoover organization is a tool of the military clique, and its purpose is to suppress every civil right with the bayonet. As the socialist military clique did in the old Germany, it represents darkness, not light; ignorance, not intelligence; stupidity, not tolerance; militarism, bureaucracy, not enlightenment."

LIBRARIAN WORKS OUT BUDGET FOR '22
Miss Fannie Cox, librarian of the public library, is preparing the budget to be presented to the city council for passage when other budgets are considered.

Last year the budget for the library was \$11,500, a decided increase over former years.

Hours at the library in effect next Tuesday will be 9:30 a. m. to 9 p. m. every day except Sunday. The summer school schedule is in effect. Hours are 9:30 on week days and Saturday until 9 p. m.

Stringent Headlight Law Effective in Iowa
(By Associated Press.)
Des Moines, Iowa—A new automobile headlight law went into effect today. It provides that the top of the beam of light from the headlight must not rise above 42 inches from the ground at 75 feet beyond the front of the automobile. The law requires that a headlight be strong enough to be seen from a distance of 500 feet and that it be sufficient to reveal a vehicle at 75 feet.

BLIND HERO NOW BUSINESS SUCCESS

Partner in Father's Business
After Making New Start.

Chicago.—To Corp. Christen Poulsen of the United States Marines, his discharge from an army hospital in February, 1919, meant beginning life anew—the life of a blind man. In two years time he has completed that task and today Poulsen is in the field and doing business in Chicago.

Poulsen was with the Sixth Marines when a few thousand troops were chosen from the ranks of the American Army to help block the German advance on Paris in 1918. The Sixth Marines were sent to the front, but among those who were left on the battlefield was Corporal Poulsen, fully conscious, but bleeding and sightless from the burst of a high explosive shell. Poulsen was wounded just one year to a day from the date he enlisted. He has been totally blind ever since.

Following his discharge from the army hospital, Poulsen entered Evanston, the Red Cross school for the Blind in Baltimore. There he took courses in typewriting, Braille, English, Civics and learned to make small articles. Poulsen was able to earn a month from his war risk insurance but wanted to earn his own living in addition.

Five years later his father offered to give him work in his feed store in Chicago. Young Poulsen entered the office and began to learn to take orders and direct deliveries. Today he is a full partner in his father's business. Now he feels that he has made a new start.

With work in his father's business, Poulsen was able to earn a month from his war risk insurance but wanted to earn his own living in addition.

RAILROAD NEWS

Through the efforts of the traffic bureau of the local Chamber of Commerce, the daily perishable freight car on the Chicago & North-western from Chicago to this city is now being placed at the place of the complaints had been made that the car was not arriving until 8 o'clock and through switching did not reach the Five Points yards until 9:30 to 10 o'clock and sometimes not until the next morning. Jay E. Houck of the bureau took the matter up with P. J. Byington in Chicago Wednesday and was assured that the car will come in on time hereafter.

Orders to increase the number of men employed at the Chicago, Milwaukee & St. Paul round house are expected within the next month, according to information given out Thursday.

Michael Dulin was put on as foreman of the downtown industrial switch-engine Thursday upon his return to duty after a prolonged illness. LeRoy D. Horn, who had this week taken the place of Edward C. Bier in the yards and on the belt, goes on the 9 o'clock shift in the place of Foreman Roy Lightizer.

Cornelius Cronin, switch tender at Five Points for the Northwestern is confined to his home with a severe attack of hay fever. Michael Joyce is substituting.

Frank Bennett, ticket clerk at the C. M. & St. P. depot is on his vacation.

3 CRIMINAL CASES ON CALENDAR, FRIDAY
Friday is due to be a heavy day in municipal court with three criminal actions on the calendar. The cases set for trial are State vs. Orwin Bohman, charged with driving a car while intoxicated; State vs. Michael Janna, arrested on liquor and illegal fishing charges in a raid on an up-river camp; and Thomas Reed and Edward Murphy, held in connection with an alleged attack on a girl employee of the state school for the blind.

FEARS TROUBLE IN ENFORCING NEW LAW
Considerable trouble is expected by Miss Rosemary Knight, attendance officer for the public schools, in getting the boys and girls who come under the provisions of the compulsory education law as revised at the last session of the legislature, in attending the vocational school. Too much cannot be said, Miss Knight believes, in impressing the parents of children who attended school last year who were under 17, that they must go to school again this year until they become 18 years old.

Miss Enright came back to her work Thursday morning after a large increase in the vocational school students.

TRICK DOGS ARE BARRED BY COPS ON CHICAGO BEACH
Chicago.—Volunteer dog actors which frequent Chicago bathing beaches during the summer have been banned by police at the lake side beach because the crowds they collect along fashionable Lake Shore Drive obstruct traffic.

A half dozen dogs spend most of their time being the hompster months at the beach, ready to chase sticks and catch balls thrown by anyone who will stop to play with them.

Chief of the canine entertainers is Dixie, a pedigree Alfordale with the temperament of a prima donna, his own set of stage—or rather beach—properties and a list of tricks which cause scores to line the shore walk and he commands the respect of the crowd. He usually from morning until late in the evening.

Dixie likes to attract attention, and he has his own method of collecting a crowd. He brings out his ball to be thrown into the lake. Retrieving the prize, the Alfordale ignores his first friend and stops a new party, repeating the process until a large crowd is collected. He rarely offers sticks or ball to the same person twice in succession, depending on his impartiality to keep the greatest number of people interested.

The dog has perfected his act until he is able to catch a ball thrown to him from a distance of fifty feet or more and to snap his balls without letting them touch the ground.

Wauconda Man to Address Producers

Professor Keat, Wauconda, Ill., an expert on milk problems, will be the speaker at a special meeting of the Janesville Milk Producers' association in the court house here at 8 p. m. Thursday. He will also speak at the county association's monthly meeting in Evansville, Friday afternoon at 2 o'clock. Officers are hoping for a big attendance at each meeting as important matters pertaining to the Cooperative Marketing company are to be discussed.

H. Graesslin Speeds to Victory in "Y" Half Mile Swim

FOUR WINNERS MAY BE SENT TO ENTER STATE RIVER SWIM

By FRANK SINCLAIR
With the same cool, steady style that he used in winning the three mile Turkey Day race here last fall, Herman Graesslin of the A. L. Stars crossed the line a winner in the Y. M. C. A. half mile river swim Wednesday afternoon. He passed the finish line a good 20 yards in the lead. His time was 2:35 4-5, which was 23 2-5 seconds ahead of the second man, Henry Schwieger of the Y. M. C. A. Third place went to Hubert Roy, representing the Janesville High School, and fourth to Frank Palat, wearing the colors of the "Y" in 3:50 2-5.

While Graesslin was true to the advance dope, the way he dashed into the lead in the first 100 yards was a revelation. Using a pretty side-over-arm, he kept the field at his rear with ease and when the quarter mile was concluded there was no doubt that he would capture the Clin cup for first place.

Schwieger Shows Class.
The biggest surprise came when young Schwieger, not figured as a place-taker, came up from the middle of the pack and won second place with a lead of seven yards. Constant practice and excellent all-round condition gave him the stamina that won him the race.

In taking third place, Roy displayed the greatest gameness of any of the 13 competitors. Not having been in the water for 35 days, and sick and lame of the past two days, he summoned his nerve for the home stretch. Unmoved when Schwieger passed him, Roy swam on doggedly. When Palat crawled up on him, he pushed to the finish with the crowd on the First Ward beach yelling wildly as the boys dashed madly to the mark.

Genesius Takes Lead.
Wernecke held first place as the sound of the starter's gun echoed on the shore. Roy was second, with Hanson of the "Y" third. At one-eighth of a mile Roy took the lead momentarily, but he was unable to force ahead into first as the field commenced to stretch out.

The boys were hitting up a 12-mile clip as they neared a sixth of a mile, with Roy nicking up slightly on Graesslin, only to fall back again. At the quarter-mile, Wernecke had slipped behind and was fighting for third with Palat. Then Wernecke lost the use of his legs and as he commenced to splash, Palat went by.

Brennan Pulps Surprise.
The quarter was clocked in the fast time of six minutes. Down to stretch, Hanson and Palat, a 11-11 clip, were heading for fifth place. Then a Junior "Y" lad, Bob Brennan pulled a big surprise, when he dashed ahead of both Hanson getting sixth, leaving Wernecke in tenth and taking seventh from Van Gelder. Another battle came when Jean Harvey skinned out Goldie Hallat for twelfth.

All starters finished the course from the second swim bar in Holman's beach. The distance was well patrolled with canoes, rowboats and two launches.

Stefan Praises Swimmers.
Presenting the trophies to the winners, J. A. Steiner, general secretary of the "Y" under whose auspices the race was held, declared that "one of the biggest tragedies is not that a few low losses but that the many wins." He said, "Dempsy won but Carpenter lost all the glory. It was a tragedy that Carpenter did not win when he had that chance in the second round when he landed that jaw blow on Dempsy. Do your very best, that is what counts in life after all. Live clean."

Smith McGinnis, a 14 year old, who finished the race in tenth place, is predicted as a coming swimmer. Schwieger and Brennan are bound to develop into future men with more training.

First Four to Milwaukee.
Following the race, A. E. Bergman, athletic director of the "Y" declared that he is laying plans to send the first four—Graesslin, Schwieger, Roy and Palat—to the state swim at Milwaukee on Sept. 16. He will lengthen out the course to two miles and give the boys constant training to fit them for the Badger swim.

Among the spectators at the beach, were a number of "old-timers." One of them declared that he was the prettiest race he had ever seen and he said: "Let's have more of these." Thanks were expressed by Bergman for the use of the boats and to the officials for aiding in the event, the first of its kind ever held here.

The results:
1. Herman Graesslin, All Stars. Time: 2:35 4-5. Prize: Silver loving cup presented by Clin & Conrad.
2. Henry Schwieger, Y. M. C. A. Time: 2:53 1-5. Prize: Silver loving cup presented by Y. M. C. A.
3. Hubert Roy, Gazette. Time: 3:50 2-5. Prize: Silver medal presented by A. E. Bergman.

The next seven received buttons:
Fourth, Frank Palat, Y. M. C. A.; fifth, Robert Brennan, Junior A. Y. M. C. A.; sixth, M. Hanson, Y. M. C. A.; seventh, Roy Wernecke, unaffiliated; eighth, Ross Van Gelder, Y. M. C. A.; ninth, Russell Palmer, Y. M. C. A.; tenth, Kenneth McGinnis, Y. M. C. A.; eleventh, Walter McKaig, Y. M. C. A.; twelfth, Jean Harvey, Y. M. C. A.; thirteenth, Goldie Hallat, Y. M. C. A.; fourteenth, Phil Smith, Y. M. C. A.; fifteenth, Earl Olsen, Y. M. C. A.

Officials: Starter, A. E. Bergman; referee, "Mike" Pfeiffer; judges, Joseph Duratt and Rev. Thorsen; timers, B. J. Haunerson; scorer, J. A. Steiner; clerk of course, Frank Sinclair.

YOUNG CATCHER IS MAKING A NAME WITH BROOKLYNS

J. W. Taylor, young backstop with the Dodgers, has been getting a good chance to show his worth behind the bat this season and shows the makings of a star.

MRS. HARRIS PRAISED FOR GOLF IN MEET
High praise was sounded for Mrs. A. J. Harris of Janesville in her match in the state golf tournament at Milwaukee with Miss Bernice Wall, the 17-year old girl of Oshkosh. Says one critic:

"Miss Bernice Wall, favorite for the state title, was given a thorough thrill by Mrs. A. J. Harris, Janesville. The 17-year old Peralta found herself all square at the end of the ninth hole, but her game slipped on the eleventh and twelfth holes and Mrs. Harris grabbed both. Miss Wall won the short thirteenth, but her rival still was 2 up when she won the fourteenth. It was then that the game of the Oshkosh girl must be picked up. She won four successive holes and the match. But she knew that she had been in a bit with an opponent who possessed the 'never give up' spirit and a fine golf game."

Dean Annexes New Honor With His Sir Roche
Milwaukee.—Sir Roche, winner this year at Janesville, Monroe and Madison, cleaned up the field in the 2:14 pace at the state fair Wednesday. Young Dean came from behind in the second and third heats to nose out the veteran driver, Sep Palla.

On a slow track, caused by the heavy rain of Tuesday, Wilstar, Marvin up, annexed the 2:15 trot after Fayette National and Great Excitement had taken the first two heats. The results turned the dope inside of Pat Pointer Wins.

After losing the first heat, Pat Pointer paced to the front in the next two and captured the 2:14 pace. Pat Pointer was the horse that set a new mark at Janesville for the mile on the half mile track at 2:10 1/4 this summer. His fastest time Wednesday was 2:03 1/2. Dorothy Day (Thomas) and Kilo Watts, Childe up, fought the 2:09 by themselves, Dorothy Day winning the event.

On Thursday, Prince Laurie, considered the greatest double gaited horse in the world, will pace an exhibition mile. He won the Transylvania lot in 2:04 1/4 and has made the mile mark in 2:00.

GOTHAM 15-YR. OLD WINS GOLD MEET
New York.—Youth came to the fore in sports again on Wednesday, when Joseph Ford, 15 years old, won the public links golf championship of Greater New York by a margin of three up and two to play. He defeated Walter Purcell, 1915 title holder and twice runner up.

Pin Body to Determine Teams on Average Basis
Teams in the city league of the Janesville bowling association will be formed by averages for the 1921-22 season. This was decided at the 22nd season. The eight high average men of last season were appointed to form a committee to pick eight average teams based on last year's averages and to report back to the association at a meeting to be held at the city hall on Sept. 14.

The eight men, each of whom would be on a different team, are: Richards, Messick, Cook, Lammert, Cornell, Merrick, Kitchin and O. Nelson. In the event that one or more of these men should not bowl this season, the man next in line would step up and fill his place. The list of last year contains 70 names, although some have left the city. Richards is chairman of the committee.

Teams to Meet.
Following out the averages idea, it was decided to send eight city league teams to the state tournament this year. The 10 best men would be placed upon two teams based upon the averages at the time of sending in the entrance money. The two other teams would be picked by the executive committee upon the average basis.

The 1921-22 season will be three times around and consist of 63 games. It was voted. A games and schedule committee was appointed by the president to draw up the schedule and make other plans for the season. This body consists of: Ed. Baumann, chairman; Earl Merrick, Al Hubel, Bill Heise and Jim Newman. Another committee will be named to arrange publication of a season schedule-book.

New Absentee Rule.
When a man is absent on a night his team bowls, a new section was voted to supersede Section 9 of "Rules for the City League" abolishing the 125 pin average rule for absent bowlers. The new section reads: "Where a man is absent when his team bowls, he is to be given the score of the opposing team, except in the case of a forfeit." If there are not three men of a team present to bowl a scheduled game, the game shall be forfeited.

To carry up Article IV, Section 7, of the constitution of the J. B. A., a new section was written in to take the place of the old one to define the board of directors. The new section reads:

Delegates to State Meet.
"The board of directors shall consist of the officers of the J. B. A. and a representative to be chosen from each league formed under the jurisdiction of the J. B. A. Where there is a tie vote on the part of the board of directors, the president of the J. B. A. shall cast the deciding vote."

Under executive committee, section 2, was thereby changed to read: "The executive committee shall be composed of the board of directors." Two representatives were elected to represent the J. B. A. at the Wisconsin State Bowling Association. They are Jim Newman for the City League and Clarence Luthardt for the Industrial League.

BELOIT NET MEN Beat Janesville
Players representing Beloit defeated the Janesville Y Tennis club on the latter's court Wednesday afternoon, winning five out of six matches. The only match won by Janesville was a doubles match between Earl Merrick and Jim Newman. Another committee will be named to arrange publication of a season schedule-book.

WILSON TO RETAIN CHAMPIONSHIP BELT
(BY ASSOCIATED PRESS.)
New York.—The championship belt held by Johnny Wilson, middleweight, will not change hands in his bout next Monday with Bryan Downey of Columbus, title claimant, unless Downey knocks him out. Promoter Rickard announced Thursday. The name ruling applies in the case of Johnny Buff, American fly-weight champion, who meets Indian Russell of Harrisburg, Penna.

Rickard pointed out that the belts had been won in 15 round decision contests, and said it followed that they could be lifted only in decision matches, save in case of a knockout. The Jersey City fight, will be 12 rounds no decision, 15 rounds no decision.

The fight will start at 4 p. m. day, night time.
